MESSAGE FROM THE SPEAKER

As we close another year at the Legislative Assembly, I am reminded of the importance of collaboration, cultural inclusion, and our commitment to the people of the Northwest Territories.

This year, we worked hard to foster an inclusive Assembly. Our decision to incorporate traditional guiding words to open our sittings, conducted in the diverse languages of our territory, marks a new era of doing things differently. We are dedicated to ensuring that the Legislative Assembly is a place where all voices are heard and respected. In particular the voices of Indigenous peoples.

As I reflect on the past year, I am proud of the resilience and adaptability shown by residents of the Northwest Territories in facing wildfires that affected so many of our communities. These fires compelled difficult decisions, including postponing the Territorial General Election to ensure the safety and well-being of residents. With more than 65% of the population displaced, proceeding with the election as scheduled would have been impractical and unsafe. This delay was necessary logistically and also to ensure a fair and accessible electoral process.

Despite these challenges, the Assembly's work continued. Among notable achievements, I am particularly proud of the assent of Bill 85, the United Nations Declaration on the Rights of Indigenous Peoples Implementation Act. This Act positions the Northwest Territories as the second province or territory in Canada to pass such legislation.

It sets the UN Declaration as a framework for reconciliation between the territorial Government and Indigenous Governments. The Act requires that a statement of consistency be tabled with each bill introduced in the Assembly to confirm it aligns with the UN Declaration.

I want to acknowledge the essential role of our interpreters, who ensure that our proceedings are accessible to all residents, regardless of the language they speak.

In a particularly emotional moment this year, I put my name forward for Speaker. Many people encouraged me to consider the role, noting the need for a more respectful tone of debate in the chamber. As I stated during my announcement, while conflict between members in consensus government can be productive, confrontation is not. It drains energy and backs people into a corner. Our constituents deserve better. This Assembly needs somebody who is more than a referee – it needs a coach; someone to help members understand their roles and procedures, and how they can best work on behalf of their constituents.

As we move forward into the new year, I remain committed to fostering collaboration, transparency, and inclusivity. It is my honour to serve as Speaker, and I look forward to welcoming our residents and visitors to the territory to our Assembly, the true place of the people, where every voice is heard, respected, and valued.

A handwritten signature in black ink, appearing to be 'Shane Thompson'.

Honourable Shane Thompson, Speaker
Northwest Territories Legislative Assembly.

MESSAGE DU PRÉSIDENT

La fin d'une autre année à l'Assemblée législative est l'occasion de me rappeler l'importance de la collaboration, de l'inclusion culturelle et de notre engagement envers la population des Territoires du Nord-Ouest (TNO).

Cette année, nous nous sommes efforcés de favoriser l'inclusion au sein de l'Assemblée. La décision d'ouvrir nos travaux par quelques mots d'orientation prononcés dans les diverses langues officielles du territoire marque le début d'une nouvelle façon de procéder. Nous sommes résolus à faire de l'Assemblée législative un lieu où chaque voix puisse être entendue mais aussi respectée, et tout particulièrement celles des peuples autochtones.

Alors que l'heure est au bilan, je suis fier de la résilience et de l'adaptabilité dont ont fait preuve les Ténos face aux feux de forêt qui ont touché nombre de nos collectivités. Ces feux nous ont appelés à prendre des décisions difficiles, y compris le report de l'élection générale territoriale, pour la sécurité et le bien-être de nos résidents. Étant donné que plus de 65 % de la population était déplacée à l'époque, la tenue de l'élection n'aurait pas pu se faire dans des conditions pratiques ni sécuritaires. Une telle prorogation était donc nécessaire, tant du point de vue de la logistique que de l'équité et de l'accessibilité du processus électoral.

En dépit de ces défis, l'Assemblée législative a poursuivi ses travaux. Je suis particulièrement fier de compter, parmi nos réalisations marquantes, la sanction du projet de loi 85 – Loi de mise en œuvre de la Déclaration des Nations Unies sur les droits des peuples autochtones – grâce auquel les TNO sont devenus la deuxième administration canadienne (province ou territoire) à adopter un tel texte législatif. Cette loi désigne la Déclaration des Nations Unies comme cadre de travail pour la réconciliation entre le gouvernement territorial et les gouvernements autochtones. Elle prévoit ainsi qu'un énoncé de compatibilité soit fourni lors du dépôt de chaque projet de loi à l'Assemblée, dans le but de confirmer la conformité de celui-ci à la Déclaration des Nations Unies.

Je tiens aussi à saluer le rôle essentiel de nos interprètes, qui s'assurent de rendre accessibles nos travaux à l'ensemble des résidents, indépendamment de leur langue.

Lors d'un moment particulièrement émouvant l'année dernière, j'ai proposé ma candidature au poste de président de l'Assemblée législative. Plusieurs personnes m'avaient encouragé dans cette voie-là, en soulignant la nécessité de faire régner un ton plus respectueux lors des débats en Chambre. Comme je l'ai indiqué à l'occasion de ma prise de fonction, les conflits entre les députés d'un gouvernement de consensus peuvent être productifs, mais pas la confrontation, qui nous vide de notre énergie et nous pousse dans nos retranchements. Nos électeurs méritent mieux que cela. Cette Assemblée a besoin de plus qu'un arbitre; elle a besoin d'un « entraîneur » capable d'aider les députés à comprendre leurs rôles respectifs et les procédures qu'ils doivent respecter, ainsi que la façon dont ils peuvent servir au mieux leurs électeurs.

À l'approche de la nouvelle année, je reste déterminé à promouvoir la collaboration, la transparence et l'inclusion. Je suis honoré de pouvoir servir à titre de président de l'Assemblée législative et je me réjouis d'accueillir nos résidents et nos visiteurs dans l'enceinte de la véritable « place du peuple », où chaque voix est entendue, respectée et valorisée.

Honourable Shane Thompson,
ancien président

Assemblée législative des
Territoires du Nord Ouest

UNDRIP LEGISLATION ACCOUNTABILITY

The Northwest Territories became the second province or territory to pass legislation to implement the UN Declaration in Canada. Bill 85: *The United Nations Declaration on the Rights of Indigenous Peoples Implementation Act* requires the Government of the Northwest Territories (GNWT) to table a statement of consistency with each bill to confirm it is consistent with the UN Declaration, and it is used as a framework for reconciliation between the territorial Government and Indigenous Governments.

The Legislative Assembly created the *Consensus Government in the Northwest Territories Guiding Principles and Process Conventions*, which guides how co-developed land and resource legislation, is introduced, considered, and enacted. This convention is a key feature of our unique Consensus government. It creates the necessary space for Indigenous Governments in the Legislature and provides an avenue for Indigenous Governments' participation at all stages of the legislative process.

DELAY OF THE TERRITORIAL GENERAL ELECTION DUE TO ONGOING WILDFIRES

The Speaker of the Northwest Territories Legislative Assembly, Honourable Frederick Blake Jr., received a recommendation from the Chief Electoral Officer (CEO) to delay the Territorial General Election due to ongoing wildfires.

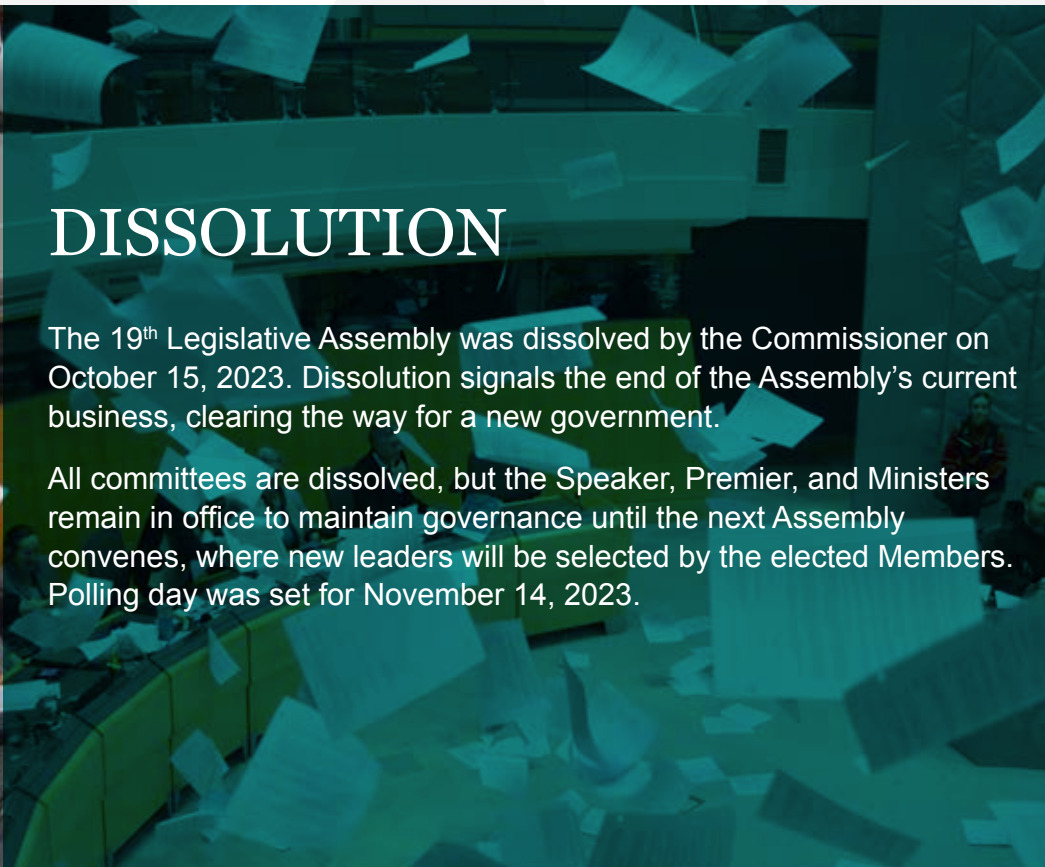

Members of Caucus supported the recommendation, which led to the decision to recall the Assembly on August 28, 2023, to pass legislation delaying the election until November and approving additional wildfire-related funding. The Speaker emphasized safety concerns as the driving factor behind this decision.

DISSOLUTION

The 19th Legislative Assembly was dissolved by the Commissioner on October 15, 2023. Dissolution signals the end of the Assembly's current business, clearing the way for a new government.

All committees are dissolved, but the Speaker, Premier, and Ministers remain in office to maintain governance until the next Assembly convenes, where new leaders will be selected by the elected Members. Polling day was set for November 14, 2023.

SWEARING-IN CEREMONY OF MEMBERS OF THE 20TH ASSEMBLY

PRIORITIES OF THE 20TH ASSEMBLY

After the November election, the focus shifted to establishing the next major milestone for the new Assembly: setting its priorities. Through extensive discussions, meetings, and feedback from constituents, the direction of this Assembly took shape. On February 13th and 14th, all 19 members convened to deliberate and establish these priorities. The Members of the 20th Assembly set 4 top priorities.

We are Stronger Together

The 20th Assembly wants a Territory where people are supported in how they want to live, work, and grow.

Our top priorities are:

- The suitability, accessibility, and affordability of housing;
- A strong economic foundation;
- Access to health care and addressing the effects of trauma; and
- Safe residents and communities.

We want a Northwest Territories that prioritizes reconciliation and the well-being and prosperity of residents. We will achieve this through good governance and collaboration with Indigenous governments, all communities, and the public.

“Members of the 20th Assembly have listened carefully and found common ground in these four main themes, which provide an ambitious yet manageable focus. Now the process begins to collaboratively create a mandate for each GNWT department, which will flesh out how the government will be accountable to achieve real progress in each of these areas.”

Caucus meetings are confidential, fostering open, honest discussions without the constraints of Cabinet or committee solidarity. Even the Speaker and Premier contribute as equal participants unless they're required to speak in their official capacities.

Following each election, the Caucus comes together to define strategic priorities for their four-year term, as seen with the "Priorities of the 20th Assembly." The Chair and Deputy Chair are selected from non-Cabinet, non-Speaker MLAs to ensure impartial leadership.

OFFICE OF THE CLERK

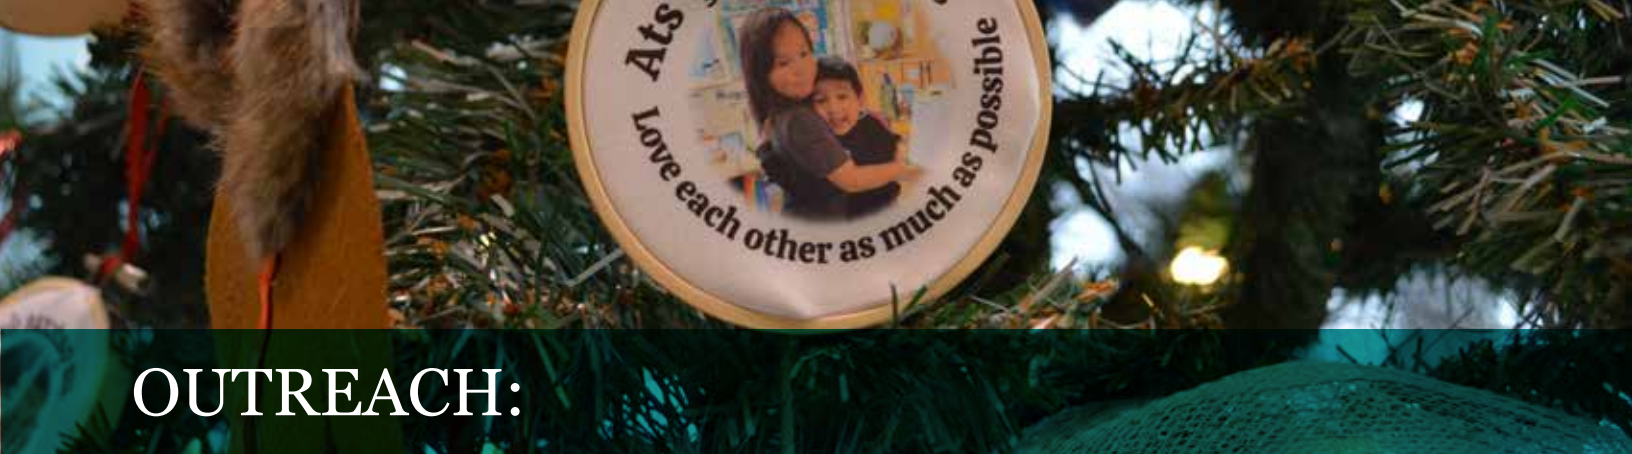

As Clerk of the Legislative Assembly, I want to take this opportunity to express my sincere gratitude to the dedicated staff who have made this past year a success. Your hard work and commitment have ensured the continued smooth functioning of the Assembly, even in the face of challenges.

This year has been a landmark for the Office of the Clerk, and I am proud of the significant milestones we achieved together. From the full evacuation of the Legislative Assembly due to wildfires to successfully executing a historic remote sitting, these initiatives have proven our resilience and adaptability.

We have also expanded our orientation program for new Members, offering an extended onboarding process to ensure they are well-prepared for their roles. The reorganization within the Office of the Clerk, specifically in the Members and Precinct Services, and House Procedures and Committees has enhanced the efficiency of administrative support and procedural services, allowing us to better serve the needs of Members and the broader community.

None of this would be possible without the commitment and professionalism of our staff. I look forward to continuing our work together as we build on this strong foundation for the years ahead.

OUTREACH:

KINDERGARTEN CHRISTMAS

The Legislative Assembly building once again opened its doors to enthusiastic students for the Kindergarten Christmas Program. In the year 2023, the program witnessed the enthusiastic participation of 303 students from 11 schools (106 French speaking students and 197 English speaking students) Upon completion of the decoration process, Great Hall shimmered with the glow of Christmas trees and ornaments, which captivated staff and visitors, instilling a profound sense of Christmas spirit.

During the sunny summer months of June and July, Northerners experience nearly 24 hours of daylight, known as the ‘midnight sun.’ Any special lighting requests during this period will not be considered, as they will not be effective in the continuous daylight.

Requests for special lighting should be made on a special event recognition form, which is available from the Speakers Office.
