

Page Program Application

Official Languages and Public Outreach Coordinator – 867-767-9131 ext. 12022

Once form is complete, please email to LA_PAC@ntassembly.ca

The Northwest Territories Legislative Assembly brings together students throughout the Territories to work as Pages when the Legislative Assembly is in Session. Pages play a vital role in the smooth flow of documents and delivery of messages both within and outside the Chamber.

Pages are paid \$16.70 per hour. Regular work hours are six hours per day, this may vary depending on Sessional Business. A training and work schedule will be provided to you via email. Pages are provided with Uniforms.

It is very important that you provide us with a social insurance number with this application. This ensures pay cheques are paid without delay, and for Pages outside of Yellowknife ensures payment concerning your per diem allowance is not delayed. If you do not yet have a SIN number, you will need to apply. You may apply by visiting: <https://sin-nas.canada.ca/en/Sin/>

Requirements
