
We are Stronger Together

The 20th Assembly wants a Territory where people are supported in how they want to live, work, and grow.

Our top priorities are:

- The suitability, accessibility, and affordability of housing;
- A strong economic foundation;
- Access to health care and addressing the effects of trauma; and
- Safe residents and communities.

We want a Northwest Territories that prioritizes reconciliation and the well-being and prosperity of residents. We will achieve this through good governance and collaboration with Indigenous governments, all communities, and the public.
