To the Standing Committee on Accountability and Oversight,

Thank you for taking the time to meet with us! We really enjoyed getting to meet the staff and MLAs who participate in committee meetings and appreciated you answering our questions.

We were very interested to hear about how regular MLAs work together to decide on collective priorities while balancing the needs of their constituents. Coming from a party system legislature, we were pleasantly surprised to learn that regular MLAs and Cabinet Ministers often engage with each other prior to question period to ensure questions are properly answered. We would love to see this kind of direct flow of information from Cabinet Ministers to other MLAs here in Manitoba.

Thank you again for sharing your time and expertise with us and we hope to be able to come visit you in person someday.

With Gratitude,

Yonatan Coodin	Claire Normandeau	Alexia
