

PETITION

Petition 1-19(2)
Presented February 25, 2021

MR. SPEAKER, I WOULD LIKE TO PRESENT A PETITION DEALING WITH THE MATTER OF:

Returning Fort Smith Regional Airport Runway to Former Specifications

MR. SPEAKER, THE PETITION CONTAINS 550 SIGNATURES INCLUDING 127 ELECTRONIC SIGNATURES AND 344 WRITTEN SIGNATURES OF NORTHWEST TERRITORIES RESIDENTS, AND, MR. SPEAKER, THE PETITIONERS REQUEST:

Material Allegations:

That the Government of the Northwest Territories return the main airport runway at Fort Smith Airport to its former width for reasons of public safety and economic growth.

MEMBER'S NAME:

Mrs. Frieda Martselos, MLA Thebacha

MEMBER'S SIGNATURE:

F. Martselos

DATE: Feb. 25, 2021

(To be attached to original of Petition)

change.org

Recipient: **Legislative Assembly of the Northwest Territories Minister of Infrastructure**

Letter: **Greetings,**

Returning Fort Smith Airport Runway to Former Specificications!

On June 17, 2019 the leadership of the community of Fort Smith wrote a letter to the Minister of infrastructure regarding narrowing of the Main Runway at the Fort Smith Regional Airport due to lighting replacement. The leadership felt that with the narrowing of the runway disastrous results could happen in the event of Forest Fires or Natural Disaster.

The Department of Infrastructure made a unilateral decision without consent or consultation of the community of Fort Smith.

We, the undersigned, petition the Government of the Northwest Territories to return the main airport runway at the Fort Smith Airport to the former width for the following reasons:

1. **Public Safety:** Fort Smith is an isolated community with only one route out. The existing runway will not accommodate the larger aircraft required to evacuate the community. An evacuation could be necessitated by a fire, other natural disasters, or aircraft emergency.
2. **Economic Growth:** The existing runway will jeopardize future economic opportunities and planned developments, such as: Hydro expansion, Polytechnic University development, tourism, private enterprise, and UNESCO Wood Buffalo National park development, etc.

Thank you for your support!

FEB 26 2021

HONOURABLE DIANE ARCHIE
MINISTER OF INFRASTRUCTURE

**Returning Fort Smith Regional Airport
to Former Specifications**

In accordance with Rule 46(9) of the Rules of the Legislative Assembly, please find attached Petition 1-19(2), which was presented to the House on February 25, 2021 by the Member for Thebacha, Frieda Martselos.

By virtue of Rule 46(10), it is the responsibility of the Minister or Speaker to respond within 60 calendar days of its presentation.

Glen Rutland
Acting Clerk

PETITION: To the Legislative Assembly of the Northwest Territories

REGARDING: Returning Fort Smith Regional Airport runway to Former Specifications

We, the undersigned, petition the Government of the Northwest Territories to return the main airport runway at the Fort Smith Airport to the former width for the following reasons:

1. Public Safety: Fort Smith is an isolated community with only one route out. The existing runway will not accommodate the larger aircraft required to evacuate the community. An evacuation could be necessitated by a fire, other natural disasters, or aircraft emergency.
2. Economic Growth: The existing runway will jeopardize future economic opportunities and planned developments, such as: Hydro expansion, Polytechnic University development, tourism, private enterprise, and UNESCO Wood Buffalo National park development, etc.

PETITION: To the Legislative Assembly of the Northwest Territories

REGARDING: Returning Fort Smith Regional Airport runway to Former Specifications

We, the undersigned, petition the Government of the Northwest Territories to return the main airport runway at the Fort Smith Airport to the former width for the following reasons:

1. Public Safety: Fort Smith is an isolated community with only one route out. The existing runway will not accommodate the larger aircraft required to evacuate the community. An evacuation could be necessitated by a fire, other natural disasters, or aircraft emergency.
2. Economic Growth: The existing runway will jeopardize future economic opportunities and planned developments, such as: Hydro expansion, Polytechnic University development, tourism, private enterprise, and UNESCO Wood Buffalo National park development, etc.
