

THE HONOURABLE PAULIE CHINNA
MINISTER RESPONSIBLE FOR HOUSING NORTHWEST TERRITORIES

Status of Housing Renovations in the Tłıchǫ Region

Mr. Speaker, I have a Return to Written Question asked by the Member for Mǫnfwı on Friday, June 3, 2022 regarding the Status of Housing Renovations in the Tłıchǫ Region.

- 1. How many of the units renovated are empty units that will be renovated to make them available to people on the waiting list?**

There are five (5) units currently vacant which are part of the Maintenance and Improvement contract. Housing NWT projects that as many as five (5) units (not specifically those five (5) units) would be allocated to new tenants by the end of the fiscal year.

- 2. How many of the renovation contracts were awarded to businesses located in the Tłıchǫ region?**

All contracts were awarded to Tłıchǫ Property Management.

- 3. How many Tłıchǫ residents received training or apprenticeship through the renovation projects in Behchokǫ?**

Tłıchǫ Property Management is a Tłıchǫ owned and operated company with 95% of its employees being Tłıchǫ. For data on training and apprenticeships, the Member is advised to contact Tłıchǫ Property Management as they are the contractor, and they would have that information.

- 4. How many renovations of units will be completed by the end of the current fiscal year?**

All 18 units are scheduled for completion at the end of the fiscal year. Initially, the plan was to renovate more units but due to some projects being over budget, some projects have been deferred to the next fiscal year.

Mahsi, Mr. Speaker.
