January 26, 2021

Honorable Jackie Jacobson
 MLA
 Government of the Northwest Territories
 Tuktoyaktuk, NT
 X0E – 1C0

Dear Mr. Jacobson

Re: Letter of Interest for Project at Airport

I am writing at this time to express the Inc. Hamlet of Sachs Harbour's interest in working with the GNWT on the Sachs Harbour Airport project and requesting your support on this matter.

The scope of work is; maintenance on current ditches for positive drainage, repair culvert ends, and erosion around outlets, mechanically dewater ponded areas, haul and place material in graded to promote drainage, and complete general grading to airport site.

The Inc. Hamlet of Sachs Harbour has the following equipment which are all in good working condition:

- A 938 M Loader w/various attachments
- A Gravel Truck
- A 150 Cat Grader w/ all attachments
- A 324 DL Excavator (Back Hoe)
- A Wobbly Wheel Packer
- No Sump Pump – need to order
- A half ton Pickup Truck

I would like to add that, given the scope of the project the Hamlet of Sachs Harbour had carried out and completed several contracts with the GNWT – Airports Division when this particular airport was constructed from start to finish from 2000-2020 in areas of equipment rentals, labourers, operators, and accommodation rentals, therefore the Hamlet of Sachs has the ability to complete the project utilizing local/northern people and equipment while saving the GNWT money.

If you require further information, please contact our office at 867-690-4351.

Thank you for your time,

A handwritten signature in blue ink, reading "Norman Anikina", is written over a horizontal line.

Norman Anikina,
Mayor of Sachs Harbour
