About This Material

The Northwest Territories Legislative Assembly provides pension benefits to its elected members under the Legislative Assembly Retiring Allowances Act (RAA) and the Supplementary Retiring Allowances Act (SRAA). Section 21 of the RAA and section 11.1 of the SRAA require that a report on the administration of each Act be presented to the Assembly by the Board of Management each fiscal year.

This report summarizes the current active membership, inactive members and plan assets. An appendix to this report summarizes all of the positions held, past and present, of the current 19 members.

Membership Information

Overview

There are several categories of membership under the Act:

- Active members are the current elected Members of the Assembly;
- Deferred non-vested members are former Members of the Assembly who left prior to becoming eligible for a pension (vested). If they return to the Assembly and become vested, they will be eligible for their full pensions;
- Deferred vested pensioners are former active members who are entitled to a pension but have not yet commenced receiving it.
- Pensioners are former members or survivors of former members who are currently in receipt of a pension.
