Oral Question 145-19(2): Traditional Counselling Models

This letter is in follow up to the Oral Question you raised on March 4, 2020 regarding Traditional Counselling Models.

I have instructed the Department of Health and Social Services and the Authorities to work with local and Indigenous governments to compose a list of available counsellors in each community.

I have also reminded staff in the health and social services system to inform patients of the variety of counselling options available to them, including traditional counsellors and Elders.

Thank you.
