Oral Question 175-20(1): Marine Transportation Services 2024 Season Cancellations

This letter is in follow-up to the Oral Question raised on May 24, 2024, regarding the Marine Transportation Services 2024 Cancellation Season.

Regarding my commitment to provide information regarding the water levels between the Dempster Highway and the community of Fort Good Hope. I stated the Department of Infrastructure connects regularly with, and receives reports from, hydrologists with the Department of Environment and Climate Change and that I would share this information with him.

The NWT Water Monitoring Bulletin is posted monthly on the GNWT website. The most recent bulletin can be found at the following hyperlink:
