MINISTER OF FINANCE

Government of Northwest Territories Public Sector Positions

Mr. Speaker, I have a Return to Written Question asked by the Member for Range Lake on February 27, 2024, regarding the public sector positions in the Government of Northwest Territories.

The Member enquired about the total money value of all job positions added to the Government of the Northwest Territories public service since 2019-2020.

The Member also requested a regional breakdown of all job positions added to the Government of the Northwest Territories public service since 2019-2020; the vacancy rate of all job positions added to the Government of the Northwest Territories public service since 2019-2020 by fiscal year; the total money value of all vacant job positions added to the Government of the Northwest Territories public service since 2019-2020 and the approximate length of time job positions added to the Government of the Northwest Territories public service since 2019-2020 have been vacant by fiscal year.

Later today, at the appropriate time, I will table this information.

Thank you, Mr. Speaker.
